WHAT MAKES KI PRESCHOOL SPECIAL...

Low student/teacher ratio ensures individual attention for each child.

We offer a nurturing and caring environment and an academic program that includes: music, art, sciences, math and language skills.

Rolling Admissions - families may enroll during the year for the current school year and begin immediately if age appropriate.

State of the art security system to ensure the health and safety of our children and families.

Assisted Arrival/Dismissal - transitions are made easy and safe for both parents and students. Parents drive up to the preschool entrance where teachers meet and assist your child to and from the classroom.

Safe and secure outdoor space with a new playground.

ABOUT OUR PROGRAM

- The two-year old class meets 2 or 3 days a week. Tuesday and Thursday or Monday/Wednesday/Friday.
- The three-year old class offers two options - 3 or 5 days a week.
- The four-year old PREK class meets 5 days a week.
- KI Preschool is licensed by the MD State Department of Education.
- Professional certified teaching staff.
